International Conference on Biological Information and Biomedical Engineering (BIBE 2018) was successfully held in Shanghai, China during July 6 to 8, 2018. The conference was an annual forum for researchers and application developers in the area of biological information and biomedical engineering.

This conference proceedings included 107 accepted articles selected from 223 submissions.

We would like to express our gratitude to the reviewers of these manuscripts, who provided constructive criticism and stimulated comments and suggestions to the authors. We are extremely grateful as organizers, technical program committee and editors and extend our most sincere thanks to all the authors for their excellent contribution and work. Our sincere gratitude also goes to the VDE Verlag GmbH editors and managers for their helpful cooperation during the preparation of the proceedings.

On behalf of the Organizing Committees of BIBE2018
